

## Motto :

विद्यया सम्पूर्णः विकासः

(Holistic Development through Education)

### Our Vision

“Encouraging a desire for lifelong learning Journey....”  
To develop Students as well-informed citizens by inculcating critical thinking values, morals, ethics in their life focusing on creativity and value addition.

### Our Mission

is to develop well rounded, confident and responsible individuals who inspire to achieve their full potential by providing opportunities that are innovative and relevant to develop students to achieve the highest academic standards, grow to be analytical and critical thinkers and become compassionate and sensitive leaders.

### Our values and attributes

**“Children are buds, help them to bloom into beautiful flowers with eternal fragrance”**

Each and every child is special and distinctive in their own way. At Airport School, we help them to bring out their dormant talents and capabilities on to the surface to achieve success in their lives and be the pioneers in the way they aim to be.

# CORNERSTONES OF AIRPORT SCHOOL : THE SAGA CONTINUES

**“Education melts our ignorance into a stream of knowledge”.**

The advent of Airport School took place in 1977, marking the beginning of a new journey that has seen a continuous growth and development in the field of education. Over the years, the school has evolved to become a nurturing environment that caters to the educational and intellectual needs of its beloved students. With its strength and experience, the school aims to shape its students into efficient and disciplined citizens who can contribute to the progress of the nation.

Since its inception with 140 students and 12 teachers, the school has blossomed into a thriving community with 2300 students and around 100 dedicated teachers. We are proud to offer education from Kindergarten to Grade 12, with a focus on providing the best possible learning experience for our students. Our educators are highly trained and our facilities are well-equipped to meet the growing demands of our students.

In 1984, the school was registered under Companies Act as a non-profit organisation. To effectively manage the affairs, the Airport School Association was constituted, consisting of the officers from Airports Authority of India, Ahmedabad. An Executive Committee led by the General Manager, the Chairman of school management committee, stationed at SVP International Airport, Ahmedabad looks after the operations of the school.

## Principal's Message

Welcome to Airport School, where education transforms lives!

As we set sail into the promising seas of knowledge, envision a school year where curiosity is our compass and innovation is our destination. At Airport School, we are not just educators; we are architects of dreams, sculpting a future where every student's potential is a masterpiece waiting to unfold.

Our focus remains on fostering a culture of curiosity, critical thinking, and collaboration. The school has a well-defined curriculum that includes all aspects of the students' development, including moral, intellectual, physical and social. As principal, I am committed to ensure that each student receives a holistic education that not only equips them with academic knowledge but also nurtures their character and values.

In our diverse community, let's celebrate differences, for they are the brushstrokes that paint the canvas of our collective success. Let's not just learn facts but craft understanding, not just follow paths but blaze trails.

Parents, are the partners in this grand endeavour; teachers, are the guides on this adventurous expedition. Together, we can create a symphony of wisdom, where every note is a revelation.

**Shalini Dhanwani**

Principal, Airport School - Ahmedabad

# “EMPOWERING MINDS : OUR DISTINCTIVE TEACHING STRATEGIES” - OUR TEACHING MODEL

**REINFORCEMENT**

behaviourist

constructivist

Cognitive

**ACTIVE LEARNING**

**UNDERSTANDING**

## No Homework Policy

Saying goodbye to traditional homework stress, we proudly embrace a no homework policy.

Our focus is on interactive, engaging classes that inspire a love for learning and allow students to explore their interest beyond the classroom.

## Introduction of Technology

Our school emphasizes on developing digital literacy, preparing students for the technology driven world and equipping them with essential 21st century skills.

To create a dynamic digital learning environment, we use technology in our classrooms making them more interactive with smart board multimedia presentation and collaboration of online tools.

The teachers utilize technology to implement innovative teaching methods making lessons more interesting, engaging, innovative and child centric.

## Our Evaluation System

We focus on continuous evaluation, project based assessments, and foster a supportive learning environment that encourages growth and development rather than only a rigid exam oriented approach. We emphasize the importance of understanding, each child's unique strength and areas for improvement.

## Honing Communication Skills

Our School is dedicated to enhancing the Communication skills of our students. Through engaging curriculum, interactive learning environment and diverse extra- curricular activities, we empower students to express themselves confidently, articulate ideas and collaborate effectively. We firmly believe that strong communication skills are vital for academic success and beyond, as they prepare students for a dynamic and inter connected world.

### SUBJECT WISE COMPETITION

In our relentless pursuit of providing holistic education, we host a plethora of subject specific contests, each meticulously crafted to challenge and ignite the young minds. Spanning across various subjects such as science, literature, mathematics and arts, these competitions serve as a platform for students to showcase their exceptional talent and innate potential.

### PICNIC

Our carefully planned picnics to various adventurous and amusement parks, offer more than just a break from the academic routine; it's an opportunity for students to connect, replenish their energy and create lasting memories.

### TRIPS

Our school organizes Educational trips which cultivate teamwork and social skills as the students collaborate in a new and dynamic setting away from their homes.

## FREE & FAIR ELECTION

The grandeur of our Investiture Ceremony is a symphony of tradition and ambition. We adorn our student leaders with badges of honour and responsibilities.

# A GLIMPSE INTO OUR CAMPUS AMENITIES

## HOME OF MOZARTS: MUSIC ROOM

“Music is the divine way to tell beautiful, poetic things to the heart” – Pablo Casals

As technology continues to evolve, so does the landscape of music creation. By integrating the latest equipment into our music room, we are not just stating current; we are pioneering the future of musical expression. We wholeheartedly embrace innovation, constantly explore new possibilities and allow our music chamber become a testament to the limitless potential of modern music technology.

Home of Mozart is a haven for passionate music lovers. Recently renovated, it harbours a comprehensive collection of various string, blowing and a wide range of rhythm instruments. From the tranquil whispers of prayer bowls to the grandeur of exquisite symphony can be experienced through these instruments. Our Music room houses Guitars, Sitar, Veena, Santoor, Mandolin, Violin, Flutes, Shehnai, Trumpet, Clarinet, Saxophone, Mouth Organs, Dholak, Tabla, Drum, Octopad, Clapbox, Cajon, Darbuka, Dango etc. Additionally, it has Synthesizers and Harmoniums. Here our aspiring students can learn playing different instruments according to their taste and ability. It is a well-crafted music room which transcends its physical boundaries becoming a realm, where passion, expression and inspiration converge.

## PAGES OF WISDOM

Our school library is the core of all intellectual activities and is rich in reference resources providing information and ideas which are fundamental to successful functioning in today's transformation and knowledge based world. Recently renovated, our library is equipped with myriad of educational resources, including reference materials, textbooks, novels, autobiographies, biographies, books on inspirational and motivational content by different speakers and writers and competitive magazines and books, etc.

It offers an ideal environment to individuals to enjoy reading in tranquillity. Here, the students are able to engross themselves in the joy of learning, indulge in the pleasure of reading and explore their interest in various subjects, thereby stimulating their imagination.

# LABSCAPES : EXPLORING THE WONDERS

## CHEMISTRY LAB:

Our chemistry lab is fully equipped with a comprehensive range of chemicals and instruments required for the preparation of samples and standards for various liquid and solid sample analyses. It houses top-notch equipment that facilitates practical learning for our students. The lab itself is expansive and well-designed, offering ample space and opportunities for conducting experiments and hosting classes.

## PHYSICS LAB:

Physics lab offers a unique opportunity to our students to bridge the gap between the theoretical scientific concepts and tangible hands-on experiments. By engaging in practical activities, students are able to thread the connection between their actions and the observations they make, thus enhancing their understanding of the subject matter. Furnished with state-of-the-art equipment, the lab provides students with all the necessary tools for effective practical learning. The devices in the lab empower students to explore their hypotheses and validate their findings through empirical evidence.

## BIOLOGY LAB:

Our Biology lab caters to the needs of inquisitive students. It is a place where students learn their subject through experimental method to make it more meaningful and interesting. It is decked with all the latest necessary tools and provisions to fulfil the requirements of our future scientists and doctors. It has been meticulously designed and equipped with ultra modern instruments and tools. Within these walls, the intricate tapestry of life is unravelled, making it a crucible of scientific inquiry. However, our lab is not more than just a space for research, it is an incubator for curiosity, collaboration and the constant pursuit of knowledge.

### COMPUTER LAB:

Our computer labs ignite students' enthusiasm for technology and science. In today's world, children are exposed to mobile and other technological devices from an early age. Recognizing this curiosity at airport school, we have established well-equipped computer labs with updated operating systems to foster tech-savviness in our students. This facility has become an integral component of our institution, playing a pivotal role in shaping the learning

landscape. These dedicated spaces, equipped with the latest computer models, offer a multitude of benefits that significantly contribute to our students' academic and professional development.

### ATAL TINKERING LAB:

Objective of ATL is to foster curiosity, creativity, and imagination in young minds and inculcate skills and empower youth with the 21st century skills. It also aims to instil an innovative mindset by encouraging students to think creatively and develop a problem-solving approach, facilitating interdisciplinary learning and encouraging collaboration across various subjects.

## PHYSICAL WELLNESS

**SPORTS:** We take pride in fostering a vibrant sports culture that encourages students to engage in physical activities, promoting not only fitness, but also teamwork, discipline, and sportsmanship. Our state-of-the-art facilities provide dynamic environment for the variety of sports including basketball, football and cricket.

Rooted in traditional martial arts values, our karate programme places a strong emphasis on respect, courtesy and self-control. Under the guidance of our experienced instructor, students delve into the art of karate, mastering various forms and techniques.

Our students have achieved remarkable success, soaring to new heights by earning accolades at both the state and national level basketball championships.

## FROM WELLSPRING TO FIRE SHIELD:

**WATER PURIFIER/DRINKING WATER SYSTEM:** Experience our unwavering dedication and commitment to students' well-being with our latest water purification system. We place utmost importance on the health of our students and prioritize water safety by providing clean and purified water throughout the school premises.

**FIRE SAFETY SYSTEM:** Step into a haven of safety, where our meticulously maintained fire safety system ensures a secure environment for all. Rest assured, our system undergoes regular checks and certifications to guarantee utmost protection.

**PLAY AREA:** Jump, run and play in our active Zone! It is the place where children can unleash their energy. We have basketball court and cricket ground. Our play ground ensures that every child regardless of ability, can actively participate and revel in the joyous moments of fun and excitement.

**GARDEN AREA:** From seed to bloom, our school provides a blossoming synergy between education and nature. It is a hub for collaborative projects bringing together students, teachers and the local community.

# SHAPING FUTURE : IGNITING TRIUMPH

Our school takes pride in nurturing young talents who consistently excel in state and national level competitions, showcasing their skills on global platform. Our journey is marked by triumphs that resonate on the global stage, showcasing the exceptional talents that our school cultivates.

## MEDIA SPOTLIGHT

Excellence meets achievement! Our school takes immense pride in its outstanding accomplishments, standing as a beacon of success in both academia and extracurricular domains. Our students' remarkable achievements have caught the attention of prestigious colleges, earning our school a well-deserved speckle in the media spotlight.

From academic prowess to stellar performances in sports and various competitions, our school has consistently set high standards. In the media spotlight, we've been featured for our innovative teaching methods, exceptional student projects, and the overall positive impact our school has on the community. These accolades reflect the dedication of our talented educators, the commitment of our students, and the unwavering support of our school community.

We believe in nurturing well-rounded individuals who are not only academically proficient but also excel in leadership, creativity, and community service. Join us in celebrating a legacy of success, where every achievement is a testament to the spirit of excellence that defines.

## EDUCATIONAL ALLIANCE: PARENTS AND TEACHERS IN HARMONY

**Mohit Mangal**

Engaging parents in their child's education is crucial for success. Parent-teacher collaboration acts as a catalyst for increased parental involvement, encouraging parents to participate in school activities, volunteer opportunities, and support educational initiatives at home. Our regular parent-teacher meetings serve as progress checkpoints,

allowing both parties to assess the student's development over time. This proactive approach enables timely intervention when needed, ensuring that any challenges are addressed promptly.

## COMPREHENSIVE ORIENTATION PROGRAMME PACKAGE FOR SUSTAINING A POSITIVE LEARNING ENVIRONMENT

**PRE-PRIMARY ORIENTATION:** Our orientation programmes for parents focus on the challenge of preparing children for school education. It is important to balance safety and education during these critical stages of a child's development. Our presentations delve into practical methods for preparing a child for formal education. This includes fostering a love for learning through age-appropriate activities, including basic academic concepts and promoting social skills.

## CAREER COUNSELLING SESSIONS FOR SECONDARY STUDENTS:

Our career counselling sessions for secondary level students aim to provide valuable insights into making informed decisions about their future academic pursuits, with a specific focus on time allocation for various subjects and streams. The sessions underscore the crucial role that the subjects play in shaping various career paths, ranging from engineering and technology to medical and scientific fields and an economist to a CA. The Students are encouraged to explore their interests and aptitudes while considering a the balance with other subjects. The emphasis is given on aligning academic choices with individual passions and career aspirations. Students are provided with an overview of diverse career options which broadens students' perspectives.

## “A GUIDE TO MENTAL & EMOTIONAL HEALTH”

Understanding the significance of mental & emotional health in fostering a conducive learning environment, we encourage students to participate in mental health activities. Our counselling sessions provide a secure and confidential space for students to effectively navigate challenges, build coping strategies and flourish both academically and emotionally.
